

Premier Hosting, Inc.

Order a Custom Frame for your Prints at Art For Everyone™

Art For Everyone™ offers custom framing options for their eclectic mix of prints and artist renditions. Art For Everyone™ allows anyone to add to their art collection, offering a variety of mediums, with over 100 artists. The collection provides a various range of artistic expressions from sculptures to oil paintings to charcoal to photography.

Art For Everyone™ recently teamed up with Premier Hosting Inc. to offer dropshipped products through Premier Hosting's dropship ready websites. If you are interested in starting your own business and selling, wonderfully crafted art pieces through Art For Everyone™ Premier Hosting can assist you. Start selling custom framing supplies from Art For Everyone™ and let them do the custom framing work for you.

Custom framing for Art For Everyone's prints is calculated by UI "United Inches". You can figure which frame to order by discovering the UI by adding the Height & the Width of the Print together; this will give you the total UI "United Inches". For example a frame that was 10" x 13" would have a UI of 23.

Customers will be able to choose the frame style & the matting color when ordering. Frames come in three styles: black, oak and sanded black. The custom frames are then complete with double matting options. The matting colors come in: white, cream, forest, maroon, navy blue, brown, light brown and black. Art For Everyone™ supplies retailers and distributors with framed artwork, bulk frames, prints, and hanging photo albums worldwide.

Start selling your custom artwork and frames from Art For Everyone™ and begin your own ecommerce website today.
