Premier Hosting Inc. Introduces Drop Ship Magazine

Premier Hosting, Inc. decided it was time to blow others out of the water with prices so low, they will in fact have to eat less meat on their dinner plate from this time on. We know this will take some time and will not happen overnight, but being in business since 1995 and still here, proves that we are here to stay.

Premier Hosting Inc. a member in good standing with the BBB (Better Business Bureau) has released Drop Ship Magazine. The domain name DropShipMagazine was purchased 2 years ago, on 11-13-2006, by Premier Hosting. The goal for Premier Hosting was to use this site as a community and relationship builder among dropshippers. With no intention to turn a large profit, Drop Ship Magazine, intends to charge a small fee for advertising, but you can list your drop ship website for free.

Premier Hosting's purpose to the development of this website is to attract dropshippers to an Online Magazine where they can:

1. Get a free listing.
2. Pay a small fee and have their website listed as a FEATURED Web Site
3. Banners on left side – small fee
4. Top Banners – fee as per impression
5. Partner Banners on right – FREE to dropshippers who resell PicNsell and place our ad on their home page

The objective is not to make money on this, but rather use it as a tool to gain partnerships with others. The fee is to give this Magazine some sense of worth to it- not a value of zero.

Beware of others who charge a fortune to have your listing added to their directory i/e: WholesaleCentral.com for \$299.00 for 6 months and then they act as if they are doing you a favor. Premier Hosting's focus is to cover our costs to maintain this Online Dropship Magazine- not to charge you unnecessary fees in order to turn a profit.

We are true at heart and want you to join us.
