

Sixt UK

Sixt Voted Best Car Rental Agency

Sixt rent a car, a global provider of car and van hire, were awarded the prestigious honour of Best Car Rental Agency in the annual Travel and Leisure Magazine awards for 2009.

Sixt beat of competition from other leading vehicle rental suppliers to take the top spot in a poll voted on by over 300,000 travel professionals. Voters were encouraged to share their experiences of various travel services including hotels, resorts, destinations, airlines and car rental. Sixt were amongst other leading travel brands including Virgin America and Singapore Airlines.

The award highlights the quality product and service that Sixt customers receive worldwide across the companies 3,500 locations in 90 countries. With a wide range of vehicles from small economy to large luxury cars Sixt have something for all requirements. Sixt cater for both the business and leisure markets with leading locations across Europe including car hire in Spain, the UK, France and Germany.

Ian Lawrence, managing director of Sixt UK said: "We are delighted to achieve our place in this prestigious list and to be recognised alongside such well-known and respected travel brands. We are always striving to find ways to improve our services for our customers and to offer rental solutions to satisfy any customer need, from high-end business travellers to holiday-makers with a family to consider. An award from consumers themselves always means the most."

Malcom Cooper, manager of rental services of Sixt UAE, added "The trust that the travel industry and our customers place in Sixt inspires us to continue enhancing our products and to continuously strive to maintain the highest level of service quality throughout the world".

Sixt rent a car offers a first class service with over 26,000 vehicles from more than 150 rental locations in the UK. For further information on Sixt, or to make a booking, visit www.sixt.co.uk | www.sixtblog.co.uk or call 0844 499 33 99.
